June 2019

Hello,

First of all I wonder if Spring is ever going to get here and stay for more than a day or two. Our Spring Event will have come and gone by the time you read this, but for those who attended I hope you enjoyed the evening. Honoring 13 members with more than 50 years as an HCE member is awesome. So congratulations to you. I would like to extend a Thank You to all who helped in organizing our March lesson “Fight Against Human Trafficking” I heard a lot of positive compliments from non HCE members after that evening. I really was pleased with the Shawano Leader sending a reporter to cover the event. For those who didn’t see the article after the event it was a front page story with a nice colored picture and a column also on the inside. The reason why it was open to the public was because it was such a valuable informational topic. It was certainly a great turnout of 120-130 in attendance. We had help from other community groups to put this on. They were Premier Bank of Shawano, Thrivent Financial, Literacy Council of Shawano County and the Catholic Order of Foresters Court 1639. Because of their support we were able to make this a great event.

Onto our International Night we had a great turn out to listen to our speaker on Italy. During her presentation and after words a lot of questions were asked. We ended the evening with a drink and some cookies that I had found on line that were items served in Italy. Thanks to all who helped with that. May 21st was our last Executive Board meeting until Fall. Just a reminder everyone is invited to attend these and share your thoughts or ideas. We would appreciate if you’d let us know if your coming and if you have a special topic that we can put on the agenda. The Executive Board will meet again in August before the Fair so we can decide how to set up the booth for the Fair. In September several of us are attending the State Conference in Manitowoc, WI. Our next lesson is scheduled for October. “Putting our Garden to Bed” with Lorin Preston.

Everyone have a great Summer and I’m sure I’ll be seeing some of you throughout this time. And if you are a gardener enjoy it when we can finally get out and plant. For me it’s mostly flowers but a few veggies to.

In closing if you ever have any ideas or concerns please call me or leave a message at the Extension office.

## Annual Bake Sale

Saturday, August 3rd is our day at the Farmers Market. So get out your favorite recipes to make us something to sell. You can bring your items to the Extension Office at the Court House on Friday the 2nd or bring them Saturday morning to Franklin Park by 7:30 am. If you take them to the Court House have them there by 4:00 pm. On Saturday morning we will start setting up at 7:00 a.m. to get everything marked and displayed to start selling at 8:00 am. We need a few people to help with that, if you can help that would be great. Also, a couple of people to sell it doesn't matter if you can do the 8:00 to 12:00 or just a couple of hours. If you can help call Helen Raddant (715-526-2919) Happy Baking or making whatever you choose to make.

## Brat Stand 2020

Tuesday, April 16th was the sign up date for 2020. Knowing how early some people arrive I got up at 4:00 am and was at Charlie's by 4:30 am and there were already 11 people ahead of me. I knew I had to be early because at 7:30 am I had to leave for a HCE District meeting in Wausau. I left Charlie's at 7:15 am got home in time to be picked up to go forward with the days schedule. This time they didn't leave us stand between the 2 sets of doors so 2 1/2 hours out in the cold; which it was that morning. I did get smart though and had a camp chair in my car to take and join the other chair sitters. But we have dates for next year!
